After a trying three days, due to road closure at the E9 turn, I finally managed to run the Essex Roads CC ECCA Centennial 25 mile time trial as a ten mile event. So thank you all who turned up to ride. Fantastic times from our top riders on a very testing day. My thanks go to Nick Hastler for signage and pusher-off, Elain Barrow for the result board, Andrew Shaw, Simon Constable and David Martin for marshalling. Even to Trevor Pedley for stepping-in and taking over the tea counter, after his tricky opp! Finally to Ray Smith ERCC President and Dick Spanton ECCA President for presenting the awards. I hope to see you all again next season. *Lea*
