

I would like to thank all my marshals Mick Scott, Michael Barker, Ken Hodges and Ray Smith. To Andy Sheridan who gave up his ride today to help push off till Paul Hirst arrived. He also took photos out on the course. To Ray who not only marshalled but helped in the kitchen and Nick who rode, then rushed back to do the result board till Paul finished pushing off! The race went really well as the rain stopped early to let the course dry. There was enough tea and cake dished out to supply a stadium. Finally the mileage was 21.6 miles.
