

Essex Roads Cycling Club

17th June 2011

To all at Essex Roads Cycling Club

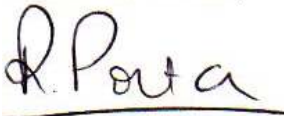

I am writing to express my sincere gratitude for all the help you continue to give year on year with the organisation of OrchidCycle Essex.

We absolutely couldn't organise the event without your help. From the marshals to the signage and registration helpers and all the help you do with attracting riders to the event, your support is vital to the success of the day. This year's event is no exception and in spite of the dreadful British weather the event still proved a huge success.

We are on track to raise over £35,000 from the event taking the total raised since it began in 2000 close to £200,000. The money raised from the event will help Orchid to continue to fund our vital services fighting male cancer through our research, awareness and support programmes.

Thank you once again for supporting our work and we look forward to seeing you again next year.

With best wishes,

Rebecca Porta
Orchid Chief Executive
